VIDEO GAME PROJECTS

Continuum

Producer/2D Artist/UI Designer | Sep 2021 - Present

- Scheduled tasks following agile development and adapted schedule based off regular scope evaluation
- Strengthened team communication through sending weekly task and team progress/accomplishments messages on discord
- Created all 2D art assets, including character art, enemy animations, and UI art assets

Tournament of Magirus

Producer/2D Artist/UI Designer | Jan 2021 - May 2021

- Managed 5 team member's weekly tasks following the agile development model in Google Sheets
- Collaborated with the lore designer when creating avatars for the Necromancer, Druid, and Fire classes
- Concepted and created all pixel art character, creature, and UI art assets

EXTRACURRICULARS

Video Game Development Club (VGDC)

Social Media Manager | April 2021 - Present

- Promote our club's events on major social media platforms, such as Instagram, Facebook, and Twitter
- Track and analyze viewer engagement in graphs using Google Sheets to improve promotion strategies
- Increase member engagement through showcasing clubs' game projects & pictures of our events

Art Strike Project Manager | May 2020 - April 2021

- Facilitated communication between artists and VGDC game project teams
- Ensured art deadlines are met by keeping completion progress of art assets in a google sheet

WORK EXPERIENCE

Connected Camps

Roblox Curriculum Development Lead | May 2020 - July 2020

- Improved the previous curriculum so kids can learn game development more efficiently and more in depth
- Coded and designed example games for students on Roblox Studio, such as adventure or story games
- Collaborated with other counselors to redesign curriculum slides to fit our company's brand

EDUCATION

University of California, Irvine - Expected Graduation: June 2022

- Major: Computer Game Science
- Specialization: Human Computer Interaction
